

UserControl

INotifyPropertyChanged

projektIOv2.Controls.ErrorBox

```
graph BT; UC[UserControl]; INPC[INotifyPropertyChanged]; E[projektIOv2.Controls.ErrorBox]; UC --> E; INPC --> E;
```

The diagram illustrates the inheritance structure of the `projektIOv2.Controls.ErrorBox` class. It is a rectangular box with a black border, containing the text `projektIOv2.Controls.ErrorBox`. Two arrows point from the top of this box to the bottom of two boxes above it. The left box is labeled `UserControl` and the right box is labeled `INotifyPropertyChanged`. This indicates that `projektIOv2.Controls.ErrorBox` inherits from both `UserControl` and `INotifyPropertyChanged`.
